*THE ONLY UNION FOR LAW ENFORCEMENT OFFICERS*

SAM A. CABRAL  
*International President*

JOHN E. O'KEEFE  
*International Secretary-Treasurer*

Commitment and dedication to serving and protecting citizens are a significant part of our culture at the International Union of Police Associations. It is what our members do every day. That's why we're excited about endorsing a national program designed to help protect America's children, offered through the Torchmark Companies.

Child Safe is an easy to use identification kit, which could help save your child's life. The Child Safe Kit allows families to record and keep fingerprints, vital information and a photo of each child. In the horrific event your child is abducted or lost, you can get this information to authorities quickly.

That's why we are endorsing and supporting Liberty National Life Insurance Company in their efforts to distribute thousands of Child Safe Kits to America's families. Protecting Americans is nothing new to Liberty National Life Insurance Company; for over 100 years, Liberty National Life Insurance Company has been dedicated to the proposition of serving and protecting families and individuals by offering supplemental life and health insurance benefits.

We sincerely hope you take advantage of the opportunity to make the Child Safe Kit part of sound family protection and planning. More importantly, we sincerely hope you will never need to use it.

Sincerely,

Sam A. Cabral  
International President
